1 please tell me and I'll be glad to rephrase the
2 question. If you don't do that I will assume that you
3 have understood the question.

4 Is that fair?

5 A. Okay.

6 Q. Thank you.

7 Ms. Jackson, tell me about BPJ's education.
8 Did she start her education in Harrison County schools?

9 A. Yes, she started her education in Harrison
10 County schools.

11 Q. And did she start in pre-K or in kindergarten?

12 A. Kindergarten.

13 Q. Did she have any formal education before going
14 to kindergarten? In other words, was she in a
15 pre-school program or a pre-K program anywhere before
16 starting kindergarten?

17 A. No.

18 Q. And did she do her entire elementary schooling
19 at Norwood Elementary?

20 A. Yes, she did.

21 Q. Tell me the first --- well, in general, how was
22 your experience for --- how was the experience for BPJ
23 at the Norwood Elementary School did she have a positive
24 experience at that elementary school?

1 as well?

2 A. Yes.

3 Q. And did you have any issues or concerns when
4 they went through Norwood Elementary School?

5 A. Correct that. My oldest one transferred from
6 St. Mary's to Bridgeport Middle. My second one was all
7 in Norwood.

8 Q. Okay.

9 A. I think his kindergarten year, there was no room
10 at Norwood and he had to go to Johnson.

11 Q. Very good.

12 So you transferred your oldest child to St.
13 Mary's?

14 A. From St. Mary's directly to Bridgeport Middle,
15 so I correct that.

16 Q. So your middle --- your middle child, that child
17 did go through Norwood Elementary School?

18 A. Yes, yes.

19 Q. Any issues or concerns during his time at
20 Norwood Elementary School?

21 A. No.

22 Q. When did you first make any employees of Norwood
23 Elementary School or anybody in Harrison County schools
24 aware that BPJ identified as a female and was a

1 transgender student?

2 A. I contacted Mr. James Thornton, who was the
3 school counselor, but I don't know the date.

4 Q. Do you recall what grade BPJ was in at the time?

5 A. Third.

6 Q. And Mr. Thornton was the guidance counselor at
7 Norwood Elementary School at that time?

8 A. Yes.

9 Q. And can you tell me at about that communication?
10 What was discussed when you contacted Mr. Thornton?

11 A. That B [REDACTED] is a transgender female and wishes to
12 be --- conduct her life as such and her pronouns were
13 she/her.

14 Q. What was Mr. Thornton's response to that?

15 A. He understood and was going to take it to a
16 higher power. I'm guessing it was the principal at the
17 time.

18 Q. Was there anything else that you can recall that
19 was part of that initial communication with Mr. Thornton
20 about BPJ's transgender status?

21 A. That she was going to start presenting as a
22 female at school.

23 Q. And then what was Mr. Thornton's response to
24 that?

1 A. The same, that he would go ahead and handle what
2 had to be handled on his end.

3 Q. Did you find him to be supportive of ---?

4 A. Yes.

5 Q. Did you say extremely?

6 A. Extremely supportive of B [REDACTED]'s transition.

7 Q. Very good. Did Mr. Thornton, in fact, get back
8 to you after he spoke with the principal?

9 A. I don't recall.

10 Q. What was --- what was the next communication
11 that you recall having with the school officials with
12 regard to B [REDACTED]'s transition?

13 A. I would have had contact with her teacher at
14 that time. I can't remember her name at that time. And
15 realizing that she was going to have questions or that
16 the students would have questions, but I can't remember
17 that teacher's name. I apologize.

18 Q. That's no problem.

19 Tell me about the nature of your communications
20 with --- this would have been the third grade teacher.

21 Is that correct?

22 A. Right, right. That she was going to start
23 presenting as a female at school.

24 Q. And was the teacher supportive of that?

1 A. Yes.

2 Q. And then BPJ did start presenting as a female at
3 school I think I heard you testify earlier.

4 Is that correct?

5 A. That is correct.

6 Q. Were there any problems or issues with that?

7 A. The only thing that I know of is that the
8 teacher did get questions as to why B [REDACTED] was dressing
9 the way she was dressing, and her answer was she's B [REDACTED]
10 and that's what makes her happy.

11 Q. Were you comfortable with that response from the
12 teacher?

13 A. Yes.

14 Q. And so in the third grade did you have any
15 concerns with regard to how the school handled B [REDACTED]'s
16 transition?

17 A. No, I did not.

18 Q. And then BPJ also would have been enrolled at
19 Norwood Elementary School in the fourth and fifth
20 grades.

21 Is that true?

22 A. That is correct.

23 Q. And at that point she was --- in those grades
24 she was fully transitioned ---

1 A. Correct.

2 Q. --- to being a female student.

3 Is that correct?

4 A. Correct.

5 Q. And did you have any issues or concerns with the
6 way school officials handled that?

7 A. School officials handled it quite well.

8 Q. So during BPJ's tenure as a student at Norwood
9 Elementary School did you have any concerns or issues
10 with regard to how school officials handled --- how your
11 daughter wanted to handle her transgender status and how
12 she wanted to present at school?

13 A. They respected her transition and her
14 transgender status. They used her correct pronouns,
15 which was she/her.

16 Q. That was something that was important to you and
17 BPJ.

18 Is that correct?

19 A. Correct.

20 Q. So part of that --- my understanding is that
21 part of the communications that you would have had with
22 school officials at Norwood Elementary School included
23 completing a Gender Support Plan for BPJ.

24 Is that correct?

1 A. That is correct.

2 Q. And I'll ask you --- I'm going to ask you about
3 both Gender Support Plans because I know you're having
4 to grab things. I'm going to ask you about Exhibits 17
5 and 19, if you want to pull them out. We'll look at
6 Exhibit 17 first.

7 A. I've got 17 in front of me.

8 Q. Okay. Very good. We'll start there. We can
9 get to 19 when we get there.

10 And you can take as much time as you want to
11 review this, but my initial question is going to be is
12 this the Gender Support Plan that was in place when BPJ
13 was at Norwood Elementary School?

14 A. Yes, it is.

15 Q. And you would agree with me that this document
16 is dated August 23rd, 2019?

17 A. Correct.

18 Q. And this was a document that the Harrison County
19 Board of Education had in place, so that there was a
20 process to discuss a combination of a student who's
21 transgender like BPJ.

22 Is that correct?

23 ATTORNEY BLOCK: Objection to form.

24 THE WITNESS: That's my understanding.

1 BY ATTORNEY DENIKER:

2 Q. And in fact, did you meet with school officials
3 from the Harrison County Board of Education to develop
4 this Gender Support Plan to support BPJ?

5 A. I met with the people that are listed on the
6 last page of the Gender Peer Support Plan.

7 Q. Was there anybody present in the meeting on
8 August 23rd, 2019, whose name doesn't appear on the
9 signature page on page five, which is Bates number BPJ
10 011?

11 A. I don't know. I know that we were all supposed
12 to sign it to say that we were there in attendance. So
13 I presume everyone signed it.

14 Q. In looking at this signature page, do you recall
15 anybody being there whose name you don't see there?

16 A. I don't off the top of my head, no.

17 Q. Is your signature on this document?

18 A. Yes, ma'am, it is.

19 Q. And it looks like BPJ's signature is on this
20 document as well.

21 Is that correct?

22 A. Correct, because she was in attendance. She had
23 to sign it.

24 Q. So she was part of this meeting.

1 Is that right?

2 A. That's correct.

3 Q. Did you find the school officials that
4 participated in this process to be respectful of you and
5 of BPJ?

6 A. Yes, I did.

7 Q. And did you find that the purpose of this was to
8 help accommodate any needs that BPJ might have as a
9 transgender student?

10 ATTORNEY BLOCK: Objection to form.

11 THE WITNESS: That's my understanding that
12 that was the purpose of the document.

13 BY ATTORNEY DENIKER:

14 Q. Did you --- were you in agreement with the
15 Gender Support Plan that was put into place through this
16 August 23rd, 2019 document?

17 A. Yes, I was in agreement with it.

18 Q. Was BPJ in agreement with it?

19 A. Yes, as much as she understood. Yes.

20 Q. And did you believe that the school followed
21 through and accommodated her in accordance with this
22 Gender Support Plan while she was at the Norwood
23 Elementary School?

24 A. They followed the Gender Support Peer Plan, yes.

1 Q. So is it fair to say that you didn't have any
2 issues or concerns of BPJ's treatment as a transgender
3 student during the time that she was a student at
4 Norwood Elementary School?

5 A. I would say correct.

6 COURT REPORTER: I'm sorry. I'm sorry.
7 Can you state that question one more time? It was a
8 little fast.

9 ATTORNEY DENIKER: I will try to do that.
10 BY ATTORNEY DENIKER:

11 Q. Is it fair to say that you did not have any
12 issues or concerns with BPJ's treatment as a transgender
13 student during the time that she was enrolled as a
14 student at Norwood Elementary School?

15 A. We had no issues.

16 Q. Ms. Jackson, to confirm, it is my understanding
17 that Harrison County Schools does not offer
18 school-sponsored athletics for students who are in
19 elementary school. Is that consistent with your
20 understanding?

21 A. That's my understanding.

22 Q. And I heard you testify earlier that BPJ
23 participated in cheerleading, which was not a
24 school-related activity, while we was in elementary

1 school.

2 Is that correct?

3 A. That was through the Bridgeport Youth Football.

4 Q. And that's not affiliated with the Harrison
5 County Board of Education.

6 Is that correct?

7 A. That is --- that is correct.

8 Q. So the first time that BPJ was eligible to
9 participate in school-sponsored sports was when she went
10 to middle school for this coming academic year.

11 Is that correct?

12 A. That is correct.

13 Q. And BPJ, is she currently in the 6th grade?

14 A. That is correct.

15 Q. And is she still 11 years old?

16 A. Yes.

17 Q. And prior to her --- so she would have
18 transferred from Norwood Elementary School to Bridgeport
19 Middle School for the beginning of this academic year.

20 Is that correct?

21 A. Correct.

22 Q. And it's my understanding that Bridgeport Middle
23 School is a three-year middle school that has grades
24 six, seven and eight.

1 A. Correct.

2 Q. And was this a meeting that you would have had
3 with school officials to create another Gender Support
4 Plan for BPJ?

5 A. Correct.

6 Q. May 18th of 2021, at that time am I correct that
7 BPJ would have been finishing her 5th-grade year at
8 Norwood at that time?

9 A. Yes.

10 Q. So this meeting was done in preparation for
11 BPJ's transition to Bridgeport Middle School.

12 Is that correct?

13 A. Correct, and the meeting was held at Norwood.

14 Q. And as before, the folks that were in
15 attendance, are their signatures on page five of this
16 document, which is Bates number BPJ 006?

17 A. Yes, I presume that is everyone that was there.
18 We were all asked to sign in if we attended.

19 Q. And again, as I asked you before, is there
20 anybody who you recall being present for this meeting
21 whose name or signature doesn't appear on page five of
22 this document?

23 A. I don't think so.

24 Q. Is your signature on this document?

1 A. Yes, it is.

2 Q. And I also see BPJ's signature on this document.
3 Is that correct?

4 A. Yes.

5 Q. This included --- even though it was held at
6 Norwood Elementary School, this did include school
7 officials from Bridgeport Middle School.

8 Is that correct?

9 A. Correct.

10 Q. And this included a discussion about
11 accommodation for BPJ once she got to the middle school
12 for this current academic year.

13 Is that correct?

14 A. Correct.

15 Q. Was this meeting conducted professionally in
16 your opinion?

17 A. Yes.

18 Q. And were you able to discuss wishes, ideas, and
19 concerns you had about accommodations for BPJ as she was
20 starting into the middle school?

21 A. Yes.

22 Q. And did you feel like this was a positive
23 meeting?

24 A. Yes.

1 with regard to BPJ's ability to participate in school
2 sports?

3 A. No.

4 Q. Was BPJ permitted to participate in summer
5 conditioning with the Bridgeport Middle School
6 cross-country team in the summer of 2021?

7 A. Yes.

8 ATTORNEY BLOCK: Objection to form.

9 BY ATTORNEY DENIKER:

10 Q. And it's my understanding that the Middle School
11 cross-country team at Bridgeport Middle School does the
12 summer conditioning where they run together.

13 Is that correct?

14 A. They --- they all condition together, but they
15 separate out into groups, if that makes sense.

16 Q. How were those groups separated? Do you know?

17 A. Normally by speed in the conditioning
18 environment.

19 Q. Are they separated by sex or gender in any way?

20 A. Only by boys team and girls team.

21 Q. And was BPJ permitted to run then with the girls
22 teams in the girls groups?

23 A. Correct.

24 ATTORNEY BLOCK: Objection to form.

1 BY ATTORNEY DENIKER:

2 Q. Did you have any issues or concerns with how BPJ
3 was treated concerning conditioning?

4 A. No. The coaches were very respectful of her
5 pronouns and her transgender identity.

6 Q. And was that true for the entire cross-country
7 season?

8 A. The coaches --- yes, the coaches were very much
9 so, yes.

10 Q. So you had --- did BPJ have a positive
11 experience participating on the girls cross-country
12 team?

13 A. Yes.

14 Q. And so I got a little bit ahead of myself
15 because we were talking about summer conditioning and
16 then there were tryouts for cross-country.

17 Is that correct?

18 A. That's correct.

19 Q. And did that take place in August of 2021?

20 A. Yes.

21 Q. And BPJ tried out for the girls cross-country
22 team.

23 Is that correct?

24 A. That is correct.

1 Q. And she was permitted to do so by the middle
2 school.

3 Is that right?

4 A. That is correct.

5 Q. And was she selected for membership on the girls
6 cross-country team?

7 A. That is correct.

8 Q. And I think I heard you testify earlier that she
9 did compete through the whole season on the girls
10 cross-country team.

11 Is that right?

12 A. That is correct.

13 Q. And she had a good experience doing that?

14 A. Yes, she did.

15 Q. Good. I'm glad to hear that. And I had to
16 laugh when Mr. Tryon was asking you questions about
17 where she placed because it's clear to me that he has
18 never been to a middle school cross-country meet because
19 they're just --- even in high school, there are just
20 tons of kids and lots of runners, aren't there?

21 A. There's tons of them, yes.

22 Q. And just for the record, my kids never came in
23 first or second either, so I understand that.

24 Who were the coaches for the cross-country team

1 this spring?

2 A. We have not.

3 Q. Is it your understanding that she will be
4 permitted to try out for the girls track team?

5 A. I don't have an understanding whether she'll be
6 permitted or not.

7 Q. Because you have not had any discussions.
8 Is that correct?

9 A. Correct.

10 Q. Let me talk more candidly about BPJ's school
11 year. And I'm sorry if I already asked you this, but at
12 the middle school she's I guess almost halfway through
13 her sixth grade year.

14 Is that correct?

15 A. That is correct.

16 Q. And is she having a good school year?

17 A. She's having an excellent school year. After
18 she learned her locker combination, everything went
19 well.

20 Q. Right now all of us are having a flashback to
21 middle school and the trauma that was remembering your
22 locker code. I understand that, Ms. Jackson. And do
23 you feel that the school has appropriately implemented
24 the Gender Support Plan that you agreed upon?

1 A. Yes.

2 Q. And you don't have any issues or concerns with
3 how school officials have treated BPJ this school
4 year-to-date?

5 A. No.

6 Q. I want to follow up on a question that Mr. Tryon
7 asked about cross-country meets this fall. You
8 mentioned that some meets --- I think you called them
9 one and done meets?

10 A. Yes.

11 Q. And I think you described that everybody ---
12 they have the girls teams and the boys teams all run at
13 one time.

14 Is that correct?

15 A. Correct, correct.

16 Q. And in those situations the boys teams are still
17 competing against the boys teams and the girls teams are
18 still competing against the girls teams.

19 Is that correct?

20 A. Yes. The statistics go towards the appropriate
21 team.

22 Q. That was what I assumed was the case in those
23 meets, but I just wanted to ask you. I haven't seen one
24 of those, but I figured they still separated the results
